THE WORLD'S PREMIER GUIDE

This Annual Guide is excerpted from *The Best Lawyers in America* 2010 (Copyright 2009 by Woodward/White, Inc., Aiken, SC) which has been published for over 25 years. *Best Lawyers* includes listings for more than 39,000 lawyers in 79 specialties, in all 50 states and the District of Columbia. The complete database is available at [www.bestlawyers.com](http://www.bestlawyers.com).

A lawyer's inclusion in this guide is based on the subjective judgments of his or her fellow lawyers. Woodward/White annually updates its lists conducting an exhaustive peer-review survey in which over 24,000 of the top lawyers in the United States register more than 2.8 million evaluations confidentially rating their legal peers. Ultimately, a lawyer's inclusion in these lists is based on the subjective judgments of his or her fellow lawyers. As a result, these lists may at times disproportionately reward visibility or popularity. Nevertheless, *Best Lawyers* has gained the respect of the legal profession, the media, and clients as the most reliable, unbiased source of legal referrals anywhere — due to the breadth of its surveys, the candor of its respondents, and the sophistication of its polling methodology. Lawyers are not required or allowed to pay a fee for a basic listing.
